

# Advanced Bus Manifest FIFA World Cup 2026 Support

## Overview

During our summer peak season, processing times are often delayed due to a significant rise in vehicle and bus traffic. With the FIFA World Cup 2026 (FWC26) taking place this summer, we expect further increased volumes. In an effort to streamline the border processing times, we have implemented an Advanced Bus Manifest FWC26 Support measure for buses in the Pacific and Southern Ontario regions.

This implementation will allow us to allocate resources and process buses more efficiently. It will be mutually beneficial for the bus industry as well as the CBSA. The temporary support measure will run from May 19<sup>th</sup> to July 8<sup>th</sup>, 2026.

## Shared Goals

By making use of this support measure, we collaboratively work to:

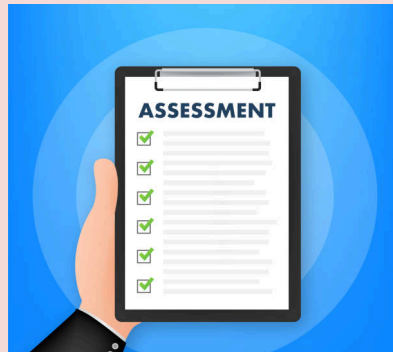

- Reduce border wait times and unnecessary delays
- Increase processing efficiency by allocating resources in accordance with bus arrival times
- Streamline processing

## The Process

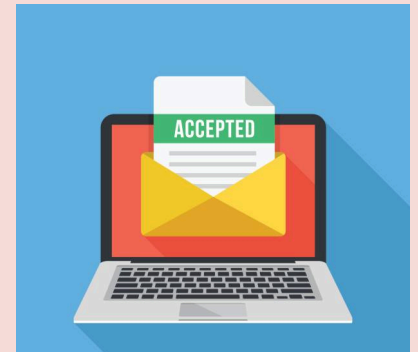

1) Provide Pre-Arrival passenger manifest at least 48 hours prior to arrival to:

[FIFABus-AutobusFIFA@cbsa-asfc.gc.ca](mailto:FIFABus-AutobusFIFA@cbsa-asfc.gc.ca)

2) Any changes to the manifest can be submitted 24 hours prior to arrival.

3) The CBSA will assess each manifest allowing effective resource allocation and advanced processing where possible.
